Dear OAMR Scholarship Committee,

This is sent with much appreciation for the scholarship I was awarded by the OAMR Scholarship Committee for the OAMR Mid-Year Academy in Newport, Oregon on April 7, 2017.

The writing course conducted by Jason Peabody was impactful and entertaining at the same time. Mr. Peabody provided so much information in a short amount of time. I am glad to have received a manual with this same information to review from time to time.

It was most meaningful to me to be with some familiar, wonderful people that I met at the Northwest Clerks Institute for my PD classes' years ago. I would encourage any person willing to be a public servant in a supportive role to attend the workshops offered through the OAMR.

Many thanks to you for providing me with a scholarship to attend this professional development course!

Sincerely,|

Linda Galeazzi, CMC
